Pursuant to the Court's Order of September 25, 2019, Defendant City of Cleveland ("Cleveland") offers the following status report in anticipation of the October 10, 2019 conference. Defendant has provided Plaintiff with substantial data regarding its payment of shift differential and longevity pay to Cleveland employees. The parties subsequently engaged in a private mediation. Although this matter was not resolved at that mediation, the parties have continued to engage in settlement discussions and continue to make progress towards resolving this case. Although the parties anticipate a resolution, if the case does not resolve, the parties will submit proposed case management dates prior to the CMC through an updated planning report.

Respectfully submitted,
